Commissioner for Patents  
P.O. Box 1450

Dear Sir:

INFORMATION DISCLOSURE STATEMENT  
UNDER 37 CFR §1.97(b)

Pursuant to 37 CFR §§1.56 and 1.97(b), Applicant brings to the attention of the Examiner the documents listed on the attached Form PTO-1449. This Information Disclosure Statement is being filed within three months of the date of entry of the national stage in an international application.

Copies of the listed foreign patent documents are attached. As the Office has waived the requirement under 37 CFR §1.98(a)(2)(i) for submitting a copy of each cited U.S. patent, a copy of the listed U.S. patent is not included with the submission of attached Form PTO 1449. Applicant respectfully requests that the Examiner consider the listed documents and evidence that consideration by making appropriate notations on the attached form.

In lieu of a statement of relevance or translation of the non-English documents, an English language version of a search report from the Australian Patent Office in a corresponding application citing these documents and setting forth the relevance thereof is enclosed.

The listed documents were cited in the Australian Search Report which issued from a corresponding Patent Cooperation Treaty Application. A copy of the Australian Search Report is included herewith. The Australian Search Report is not a reference, and Applicants do not necessarily subscribe to any of the statements contained therein.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If it should be determined that any of the listed documents do not

constitute "prior art" under United States law, Applicant reserves the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 16-2463.

Respectfully submitted,

ANDREW JAMIESON
